Tanek, eleganten, prenosen

Tab 60 KIDS je dovršeno oblikovan tako, da je eleganten z lesketajočo se zadnjo površino, skupaj z ravnimi okvirji in zaobljenimi vogali, zaradi česar ni le prijeten za oči, temveč tudi udoben na dotik. Tab 60, ki tehta samo 338 g in je tako kompakten, da ga lahko preprosto prenašate v torbi in ga brez težav držite z eno roko.

8,68-palčni tablični računalnik, najboljši za študente, poslovne novince in starejše.

Popoln 8,68-palčni zaslon z ločljivostjo HD predstavlja idealno vizijo za vašo zabavo, študij in delo. Z lahkoto ga zapakirajte v torbo ali aktovko, da bo vaš priročen pomočnik, kadar koli ga potrebujete.

- Ločljivost: **1340*800**
- Razmerje stranic: **15:9**
- Vrsta plošče: **HD IPS**
- Svetlost: **300 nits**

8.4mm Slim & 338g Light

Tab 60 Kids has an 8.4mm slim body that resembles a light and agile paper. Its flat edges and rounded corners showcase an advanced technological aesthetic. Whether held in kids' small hands or placed on a desktop, it's like a delicate yet multifunctional piece of art.

Care for Curious Eyes

A Broader Field of Vision

8.68" Immersive Display

Small-screen tablets not only limit children's ability to fully enjoy entertainment but also strain their eyes due to the small fonts. Therefore, the moderate 8.68-inch size allows kids to fully immerse themselves in the wonderful adventures of Frozen, read storybooks with peace of mind, and enjoy a richer display of colors and clarity.

Podpora za Widevine L1

Kaj je lahko bolj fascinantnega kot ogled filma po maratonu dela in študija? S podporo za Widevine L1 vas Tab 60 Kids osvobodi vsakdanjega in ponovno oživi vašo strast z HD videoposnetki in filmi.

*Podpora za izkušnjo gledanja 1080p na pretočnih medijih:

Disney+

Glavni video

Hulu

Smart-K Dual BOX zvočniki

Blackview je za Tab 60 Kids sprejel simetrično polje zvočnikov, ki vam omogoča, da doživite vznemirljive trenutke na kraju samem z jasnim in čistim zvokom v pristnih zvočnih teksturah, ki vas popeljejo v svet, ki ga ustvari stereo zvočni učinek.

Widevine L1 Support

With Widevine L1 supported on Tab 60 Kids, children can enjoy high-quality children's shows, educational content, and cartoons. They can immerse themselves in a visual feast while also gaining access to a wealth of online learning resources, which help enhance their skills, cultivate hobbies, and lay the foundation for lifelong benefits.

*Support 1080p viewing experience on streaming media:

Smart-K Dual BOX Speakers

Blackview has employed smart-K dual BOX speakers array on Tab 60 Kids, enabling clearer and more pleasing sound, which contributes to helping kids better capture and comprehend the nuances of language, enhancing the enjoyment of movies and media, as if they were on-site.
