OPIS IZDELKA

- Oddaljen vklop/izklop-vaše priključene naprave vklopite in izklopite s telefonom od koderkoli na daljavo preko aplikacije eWeLink
- Induktivni vklop in izklop stikala na touch zaslon
- Podprto z aplikacijo -brezplačna iOS in Android aplikacija eWeLink
- LAN upravljanje -upravljajte z napravami preko lokalnega omrežja tudi ko nimate internega dostopa
- Sinhronizacijski status- ažuren prikaz statusa vaših naprav preko aplikacije
- Časovnik-nastavite urnik ali odštevalni časovnik za vklop ali izklop vaših naprav
- Delitev nadzora- nadzor nad napravami lahko delite z družinskimi člani
- Pametne scene-vaše naprave povežite z drugimi napravami in prednastavite kako naj naprave reagirajo ob izpolnitvi različnih pogojev (temperatura, vlaga, ostali senzorji)
- Glasovni nadzor - deluje z Amazon Alexa, Google Home Assistant, IFTTT

Električna napetost	AC 120-240V AC, 50/60Hz
MCU(Mikrokrmilnik)	ESP32
Število stikal	2
Standard stenskega stikala	EU
Tip izhodnega kontakta	Mokri kontakt
Največja obremenitev	100-240V AC, 50/60Hz
Brezžična povezljivost	Wi-Fi IEEE 802.11b/g/n 2,4 GHz
RF 433MHz oddajnik/sprejemnik	Ne
Deluje z:	Alexa, Google Assistant, Yandex Alice, IFTTT
DIY način	Ne
Izjava o skladnosti	CE, FCC, RoHS
Delovna temperatura	-10°C~40°C
Delovna vlažnost	5% - 95% relativna vlažnost brez kondenzacije
Material ohišja	PC V0
Dimenzije	86*71*41,5mm
Proizvajalec	SONOFF

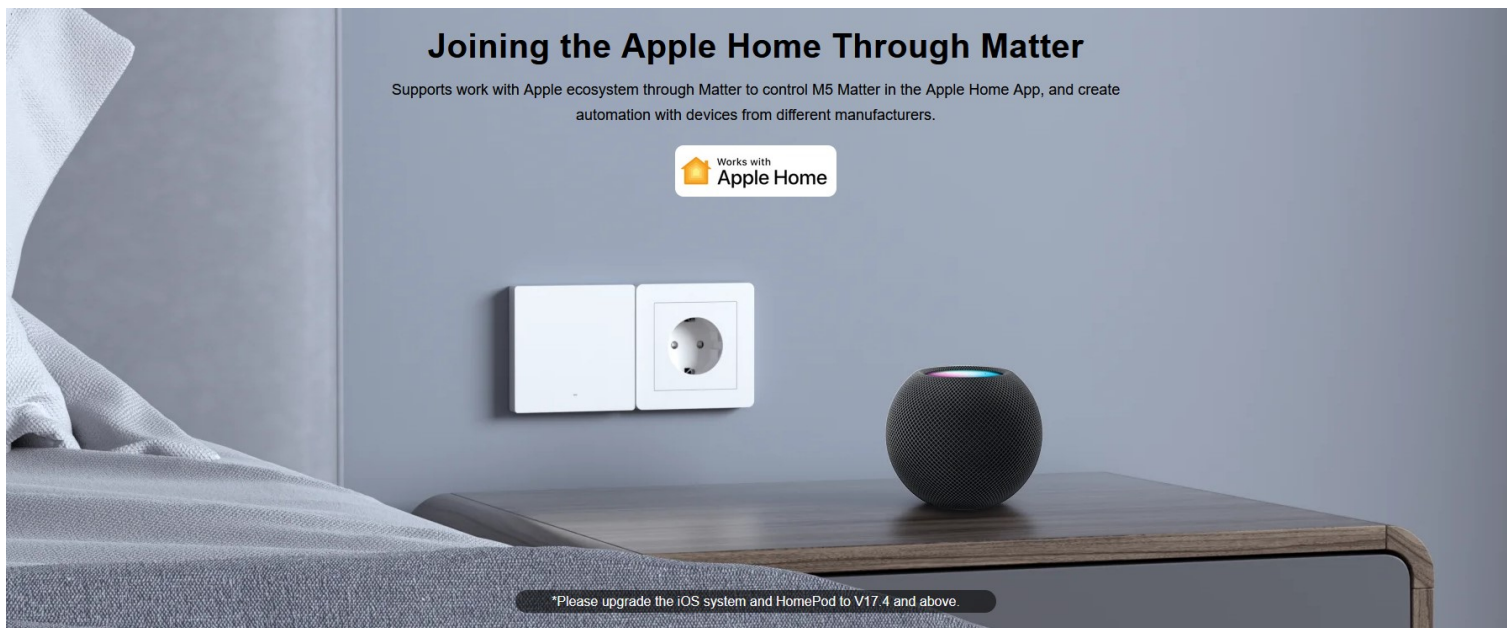

Vaš izbrani izdelek.	Model M5-2C-86

Joining the Apple Home Through Matter

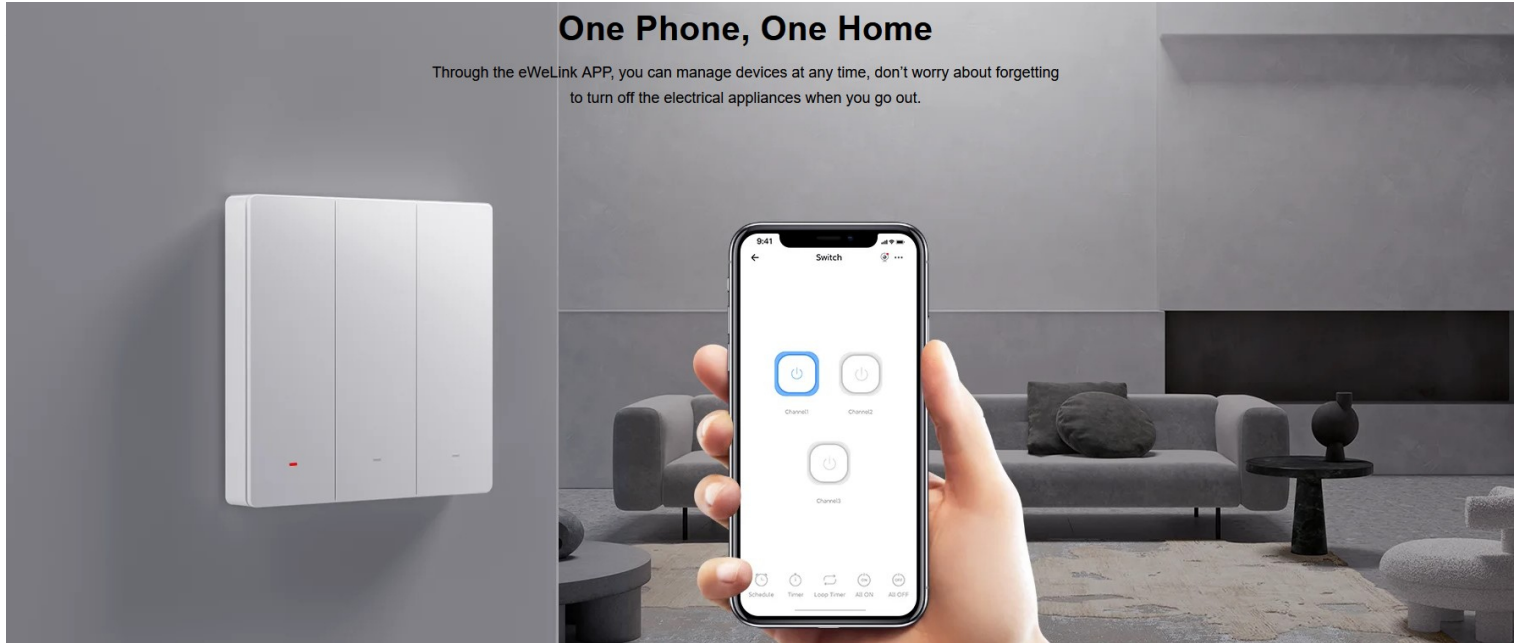

Supports work with Apple ecosystem through Matter to control M5 Matter in the Apple Home App, and create automation with devices from different manufacturers.

*Please upgrade the iOS system and HomePod to V17.4 and above.

One Phone, One Home

Through the eWeLink APP, you can manage devices at any time, don't worry about forgetting to turn off the electrical appliances when you go out.

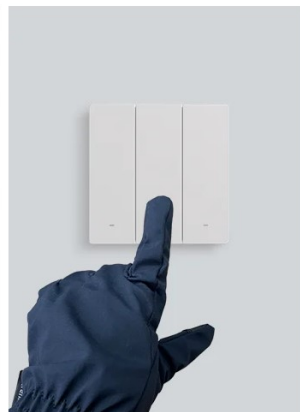

Press and Go

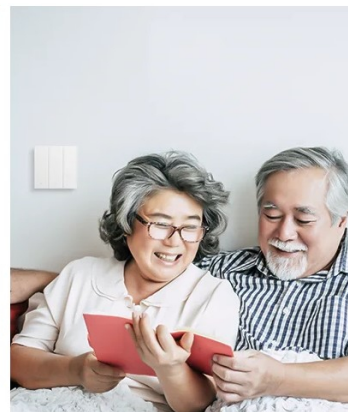

As a smart wall switch, M5 Matter adopts physical buttons for local control. Just press the button, the lights will be turned on.

Quick-responsive physical buttons.

Can be touched with gloves on.

Anyone can easily use.

Seamless Integration with Matter Ecosystem

Matter breaks down barriers between different smart home ecosystems. You can seamlessly integrate M5 Matter into Matter-enabled platforms, such as Alexa, Google Home, and Apple Home, and partner with other brand's devices to create your smart life.

Double As Smart & Safe

High Temperature Resistance

PC V0 material ensures high-temperature resistance and excellent flame-retardance.

Safety Certification

CE certified. Safe performance is guaranteed.

Safe Disassembly

Separate the high and low voltage which you can disassemble the switch safely.
